TGR Haas F1 Team – Driver Update

November 22, 2026 – TGR Haas F1 Team can confirm that Rafael Câmara will compete on its behalf in the final two rounds of the 2026 FIA Formula 1 World Championship – the Qatar Grand Prix (27-29 November) and the Abu Dhabi Grand Prix (5-7 December).

The 21-year-old Brazilian was confirmed in October as a full-time driver for TGR Haas F1 Team in the 2027 FIA Formula 1 World Championship and has since made two Formula 1 career starts at the São Paulo Grand Prix and the Las Vegas Grand Prix in November alongside teammate Ollie Bearman.

Ayao Komatsu, Team Principal – TGR Haas F1 Team:

“We’re excited to be able to finish the season with Rafa driving and build on his first two race starts with the team in Brazil and America. I’m delighted that Rafa’s embraced every track session as a learning opportunity and embedded himself further within the team. We now get to finish the season together which is advantageous to us all ahead of a relatively short off-season and as our 2027 preparations get underway.”
